豐盛融資有限公司

On 26th January, 2007, the Company disposed of 20 million Chinasoft Shares (representing approximately 2.64% of the issued share capital of Chinasoft) to Oriental Patron, an Independent Third Party, for a consideration of HK\$35.4 million which was satisfied in cash. Following the Disposal, the Company's equity interest in Chinasoft is reduced to 130,129,822 Chinasoft Shares, representing approximately 17.15% of the issued share capital of Chinasoft as at the date of this announcement.

On 20th November, 2006, the Company announced that it had disposed 20,000,000 Chinasoft Shares to two separate parties under the 2006 Disposal. As the type of asset disposed under the 2006 Disposal is the same as that disposed under the Disposal, the 2006 Disposal and the Disposal are aggregated under Rule 14.22 of the Listing Rules for the purpose of determining the percentage ratios. As the applicable "Consideration test" and "Revenue test" percentage ratios as defined in the Listing Rules exceed 25% but all percentage ratios are less than 75%, the Disposal constitutes a major transaction for the Company under the Listing Rules and is therefore subject to the reporting, announcement and shareholders' approval requirements under Chapter 14 of the Listing Rules.

No Shareholders are required to abstain from voting at the general meeting in respect of the resolution to approve the Disposal and the Company has obtained from the major Shareholders which currently hold an aggregate of 60,797,561 Shares, representing approximately 55.55% of the issued share capital of the Company, a written approval for the Agreement, the Disposal and the transactions contemplated thereunder. Pursuant to Rule 14.44 of the Listing Rules, the Disposal which constitutes a major transaction for the Company has been approved by way of written shareholders' approval in lieu of holding a general meeting of the Company seeking approval from the shareholders.

A circular containing, among other things, further information in relation to the Disposal, will be sent to the Shareholders as soon as practicable.

Trading in the Shares was suspended on the Stock Exchange from 11:09 a.m. on Friday, 26th January, 2006 at the request of the Company pending the issue of this announcement. An application has been made to the Stock Exchange for the resumption of trading in the Shares on the Stock Exchange from 9:30 a.m. on Thursday, 1st February, 2007.

REASONS AND BENEFITS OF THE DISPOSAL

The Company acquired the Sale Shares in 2003. The disposal is expected to generate a gain of approximately HK\$33.56 million in the Group’s profit and loss account. Such expected gain arises out of the difference between the consideration for the Sale Shares over the carrying value of the Sale Shares as recorded in the books of the Company. The Directors consider that it is in the best interest of the Group to take this opportunity to realize its investment in Chinasoft through the Disposal.

The net proceeds from the Disposal of approximately HK\$34.2 million will be used as general working capital of the Group.

The Directors consider that the terms of the Disposal are fair and reasonable and in the interests of the Group and the Shareholders as a whole.
