**ANNOUNCEMENT PURSUANT TO
RULE 13.09(2) OF THE LISTING RULES —
DISPOSAL OF INVESTMENT IN MARKET TALENT LIMITED**

Financial Adviser to the Company

The Board announces that on 24 May 2013, the Company and the Purchaser entered into the Agreement, pursuant to which the Purchaser conditionally agreed to acquire and the Company conditionally agreed to sell the Sale Shares at a cash consideration of HK\$2,800,000.

The Disposal provides the Company with an opportunity to dispose of the investment in Market Talent as the Board considers it appropriate to exit this investment now and to receive a residual value. During the year ended 31 December 2012, the Group recognized an impairment loss of HK\$14,500,000 on the investment in Market Talent and the carrying value of the investment in Market Talent as at 31 December 2012 became HK\$2,500,000. The proceeds from the Disposal are intended to be applied as general working capital of the Group.

This announcement is made pursuant to Rule 13.09(2) of the Listing Rules and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

THE DISPOSAL

The Board announces that on 24 May 2013, the Company and the Purchaser entered into the Agreement, pursuant to which the Purchaser conditionally agreed to acquire and the Company conditionally agreed to sell the Sale Shares at a cash consideration of HK\$2,800,000.

To the best of the Directors' knowledge, information and belief and having made all reasonable enquiries, the Purchaser and its associates (as defined in the Listing Rules) are third parties independent of the Company and its connected persons (as defined in the Listing Rules).

Assets to be disposed of

The Sale Shares represent approximately 18.10% of the entire issued share capital of Market Talent, an investment holding company incorporated in the Cayman Islands with limited liability. The subsidiaries of Market Talent are principally engaged in the trading of electronic products and the provision of on-demand video services and solutions. The investment in Market Talent was classified in the annual report of the Group for the year ended 31 December 2012 as "available-for-sale investments" with a view to generate investment income.

As at the date of this announcement, the Company and the Purchaser own approximately 18.10% and 81.90% of the entire issued share capital of Market Talent, respectively.

Consideration of the Disposal

Pursuant to the Agreement, the consideration for the Disposal is HK\$2,800,000 and shall be payable in cash by the Purchaser to the Company upon the Completion. The consideration was determined with reference to the net asset value and the financial performance of Market Talent Group as stated in the audited consolidated financial statements of Market Talent for the period ended 31 March 2012. The Directors expect that Completion shall take place on or before 28 June 2013 (subject to extension as may be agreed in writing by the Company and the Purchaser).

REASONS FOR THE DISPOSAL

The Company is an investment holding company. Since 30 August 2011, the date on which the Group was allotted shares of Market Talent as a result of subscription of shares by the Company in Market Talent and as consideration for the disposal of HomeBase Media Group Limited (details of which were set out in the Company's announcements dated 20 May 2011, 17 June 2011 and 25 July 2011, and the Company's circular dated 30 June 2011), Market Talent Group has been suffering from continuous financial loss in its operations and Market Talent has not, since that date, declared payment of any dividend.

It is the view of the Board that the financial performance of Market Talent Group may not turnaround in the near future and hence it is likely that Market Talent Group may require injection of capital. The Disposal provides the Company with an opportunity to dispose of the investment in Market Talent as the Board considers it appropriate to exit this investment now and to receive a residual value. During the year ended 31 December 2012, the Group

recognized an impairment loss of HK\$14,500,000 on the investment in Market Talent and the carrying value of the investment in Market Talent as at 31 December 2012 became HK\$2,500,000. The proceeds from the Disposal are intended to be applied as general working capital of the Group.
