INSIDE INFORMATION ON UNAUDITED INTERIM RESULTS

This announcement is made by Far East Holdings International Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities (the “**Listing Rules**”) on The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on a preliminary review on the unaudited financial information of the Group for the six months ended 30 June 2014, it is likely that the Group will record a decrease on the loss after tax and also a reduction in the total comprehensive income, as compared to that for the corresponding period in 2013. The decrease in the loss after tax was mainly attributable to a gain of approximately HK\$7 million from the disposal of Beijing Kailan Aviation Technology Co., Ltd, while the reduction on the total comprehensive income was mainly due to a decline in the gain from change in fair value of available-for-sale investments of equity securities listed on the Stock Exchange to approximately HK\$15 million.

The Company is still in the process of finalizing the interim results of the Group for the six months ended 30 June 2014. The information contained in this announcement is only based on the preliminary assessment according to figures and information made available to the Board that have not been audited or reviewed by the Company’s auditors. Finalised interim results of the Group and other details will be disclosed in the 2014 interim results announcement, which is expected to be published in August 2014.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.
