GENERAL

Executive Director

This explanatory statement contains the information required under rule 10.06(1)(b) of the Listing Rules to provide Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution approving the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, there was a total of 1,089,118,593 Shares in issue.

Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 108,911,859 Shares.

2. REASONS FOR REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such a repurchase will be to the benefit of the Company and the Shareholders.

3. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Articles of Association and the Companies Ordinance. Such funds include distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purposes of the repurchase.

There might be a material adverse impact on the working capital and/or gearing position of the Company (as compared with the position disclosed in the audited consolidated accounts contained in the annual report for the year ended 31 December 2015) in the event that the Repurchase Mandate is to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or the gearing levels of the Company.

4. SHARE PRICES

The following table shows the highest and the lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months before the Latest Practicable Date:

5. UNDERTAKING AND DISCLOSURE OF INTERESTS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Articles of Association, Listing Rules and the Companies Ordinance.

The Company has not been notified by any core connected person (as defined in the Listing Rules) that such a person has a present intention to sell, or has undertaken not to sell, any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is granted by the Shareholders.

6. TAKEOVERS CODE

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert, depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequence which would arise under the Takeovers Code as a consequence of any purchases pursuant to the Repurchase Mandate.

7. SHARE REPURCHASE MADE BY THE COMPANY

The Company or any of its subsidiaries had not purchased any of its Shares (whether on the Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.

The following are the particulars of the Directors proposed to be re-elected at the AGM:
