#### **PROPOSED SHARE CONSOLIDATION**

The Board proposes to implement the Share Consolidation on the basis that every ten (10) Existing Shares in issue be consolidated into one (1) Consolidated Share. The Share Consolidation is conditional upon, among other things, the approval by the Shareholders by way of poll at the EGM.

As at the date of this announcement, 1,089,118,593 Existing Shares have been allotted and issued. Upon the Share Consolidation becoming effective and assuming that no change in the number of Shares in issue from the date of this announcement until the effective date of the Share Consolidation, there will be 108,911,859 Consolidated Shares in issue.

As at the date of this announcement, no Shareholder is involved or interested in or has a material interest in the Share Consolidation and the transactions contemplated thereunder and therefore no Shareholder is required to abstain from voting on the resolution to approve the Share Consolidation and the transactions contemplated thereunder by way of poll at the EGM.

**Shareholders and potential investors should note that the Share Consolidation is conditional upon satisfaction of the conditions as set out in the paragraph headed “Conditions of the Share Consolidation” in this announcement. Accordingly, the Share Consolidation may or may not proceed.**

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company. If they are in any doubt, they should consult their professional advisers.**

### **PROPOSED CHANGE IN BOARD LOT SIZE**

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in the board lot size of 3,000 Existing Shares. The Board proposes to change the board lot size for trading on the Stock Exchange from 3,000 Existing Shares to 6,000 Consolidated Shares upon the Share Consolidation becoming effective.

### **PROPOSED RIGHTS ISSUE**

The Company proposes to raise gross proceeds of up to approximately HK\$72.75 million (assuming full subscription under the Rights Issue) by issuing up to 217,823,718 Rights Shares at the Subscription Price of HK\$0.334 per Rights Share (assuming no change in the number of Consolidated Shares in issue on or before the Record Date and that no new Consolidated Shares (other than the Rights Shares) will be allotted and issued on or before completion of the Rights Issue) on the basis of two (2) Rights Shares for every one (1) Consolidated Share held on the Record Date. The Rights Issue is only available to the Qualifying Shareholders and will not be extended to the Excluded Shareholder(s) (if any).

The maximum net proceeds from the Rights Issue, after deducting all relevant expenses, are estimated to be approximately HK\$69.55 million (assuming no change in the number of Consolidated Shares in issue on or before the Record Date and that no new Consolidated Share (other than the Rights Shares) will be allotted and issued on or before completion of the Rights Issue). The net price per Rights Share after deducting the relating expenses of the Rights Issue will be approximately HK\$0.3193. The Company intends to apply the net proceeds from the Rights Issue for general working capital of the Group, including repayment of loans.

### **THE COMPENSATORY ARRANGEMENTS AND THE PLACING AGREEMENT**

There will be no excess application arrangements in relation to the Rights Issue and the Rights Issue is not underwritten. Any Unsubscribed Rights Shares and ES Unsold Rights Shares will be placed to independent placees on a best effort basis under the Compensatory Arrangements. Any of the Rights Shares which remain unsold in the market will not be issued by the Company and the size of the Rights Issue will be reduced accordingly.

There are no statutory requirements regarding the minimum subscription levels in respect of the Rights Issue. There is no minimum amount to be raised under the Rights Issue. As the Rights Issue will proceed on a non-underwritten basis, any Shareholder who applies to take up all or part of his/her/its entitlement under the PAL(s) may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code. Accordingly, the Rights Issue will be made on terms that the Company will provide for the Shareholders to apply on the basis that if the Rights Shares are not fully taken-up, the application of any Shareholder (except for HKSCC Nominees Limited) for his/her/its assured entitlement under the Rights Issue will be scaled down to a level which does not trigger an obligation on the part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance with the note to Rule 7.19(5)(b) of the Listing Rules.

The Rights Issue is only available to Qualifying Shareholders. To qualify for the Rights Issue, a Shareholder must be registered as a member of the Company at the close of business on the Record Date and be a Qualifying Shareholder. In order to be registered as a member of the Company on the Record Date, all transfers of the Shares (together with the relevant share certificate(s)) must be lodged with the Registrar for registration by no later than 4:30 p.m. (Hong Kong time) on Monday, 30 December 2024.

The last day of dealing in the Consolidated Shares on a cum-rights basis is Thursday, 17 December 2024. The Consolidated Shares will be dealt with on an ex-rights basis from Wednesday, 18 December 2024.

According to Rule 7.21(1)(b) of the Listing Rules, the Company will make arrangements to dispose of the Unsubscribed Rights Shares and ES Unsold Rights Shares by offering the Unsubscribed Rights Shares and the ES Unsold Rights Shares to independent placees, who and whose ultimate beneficial owners(s) shall be Independent Third Party(ies), for the benefit of the Shareholders to whom they were offered by way of the Rights Issue. Accordingly, on 11 November 2024 (after trading hours of the Stock Exchange), the Company entered into the Placing Agreement with the Placing Agent in relation to the placing of the Unsubscribed Rights Shares and the ES Unsold Rights Shares to independent placees on a best effort basis. For details of the Placing Agreement and the Compensatory Arrangements, please refer to the section headed “Procedures in respect of the Unsubscribed Rights Shares and the ES Unsold Rights Shares and the Compensatory Arrangements” in this announcement.

## **LISTING RULES IMPLICATIONS**

Given that the Rights Issue will increase the issued share capital of the Company by more than 50%, under Rules 7.19A and 7.27A of the Listing Rules, the Rights Issue is subject to the approval of the Independent Shareholders by way of poll at the EGM at which any controlling shareholders and their respective associates or, where there are no controlling shareholders, the Directors (excluding the independent non-executive Directors) and the chief executive of the Company, and their respective associates shall abstain from voting in favour of the Rights Issue.

As at the date of this announcement, there are no controlling shareholders. As such, the Directors (excluding the independent non-executive Directors) and the chief executive of the Company, and their respective associates shall abstain from voting in favour of the proposed resolution approving the Rights Issue at the EGM.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, none of the Directors and the chief executive of the Company and their respective associates is interested in any Shares as at the date of this announcement. Accordingly, no Shareholders, Directors, chief executive of the Company and their respective associates are required under the Listing Rules to abstain from voting in favour of the resolution approving the Rights Issue at the EGM.

The Rights Issue does not result in a theoretical dilution effect of 25% or more. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

As at the date of this announcement, the Placing Agent is ultimately controlled by Mrs. Chu Yuet Wa, who is a substantial shareholder of a subsidiary of the Company. Therefore, the Placing Agent is an associate (as defined in the Listing Rules) of Mrs. Chu Yuet Wa and is a connected person at the subsidiary level of the Company under Chapter 14A of the Listing Rules. Accordingly, the engagement of the Placing Agent in consideration of placing commission under the Placing Agreement constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules. As all the percentage ratios (as defined in the Listing Rules) (other than the profit ratio) of the Placing Agreement are less than 25% and the total consideration is less than HK\$10,000,000, the Placing Agreement and the transactions contemplated thereunder fall below the de minimus threshold as stipulated under Rule 14A.76(2) of the Listing Rules, and therefore are subject to reporting and announcement requirements but are exempt from the circular, independent financial advice and independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

The Directors (including the independent non-executive Directors) consider that although the Placing Agreement was not entered into in the ordinary and usual course of business of the Group, the terms of the Placing Agreement and the transaction contemplated thereunder are fair and reasonable, on normal commercial terms or better and in the interests of the Company and the Shareholders as a whole.

None of the Directors has a material interest in the Placing Agreement and the transaction contemplated thereunder and therefore no Director is required to abstain from voting on the Board resolution(s) of the Company to approve the Placing Agreement and the transactions contemplated thereunder. The Placing Agreement and the transaction contemplated thereunder are approved by the Board.

## **GENERAL**

The EGM will be convened for the Shareholders and the Independent Shareholders (as the case may be) to consider and, if thought fit, approve the Share Consolidation, the Rights Issue and the respective transactions contemplated thereunder. A circular containing, among other things, (i) details of the Share Consolidation, the Change in Board Lot Size, the Rights Issue and the Placing Agreement and the respective transactions contemplated thereunder; (ii) a letter of recommendation from the Independent Board Committee to the Independent Shareholders in respect of the Rights Issue; (iii) a letter of advice from the Independent Financial Adviser to the Independent Board Committee and the Independent Shareholders; and (iv) a notice convening the EGM is expected to be despatched to the Shareholders on or before Friday, 22 November 2024.

In order to be registered as a member of the Company on the record date for attendance and voting at the EGM, all transfers of Shares (together with the relevant share certificate(s)) must be lodged with the Registrar for registration by no later than 4:30 p.m. (Hong Kong time) on Friday, 6 December 2024.

The Independent Board Committee comprising all the independent non-executive Directors, namely Mr. Mak Ka Wing, Patrick, Mr. Lam Wai Hung and Mr. Lam Cheung Shing, Richard has been established to advise the Independent Shareholders as to whether the terms of the Rights Issue are fair and reasonable and in the interests of the Company and the Shareholders as a whole, and to advise the Independent Shareholders on how to vote at the EGM, taking into account the advice from the Independent Financial Adviser.

Altus Capital Limited, a corporation licensed to carry out Type 4 (advising on securities), Type 6 (advising on corporate finance) and Type 9 (asset management) regulated activities under the SFO, has been appointed as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders in respect of the Rights Issue, in particular, as to whether the terms of the Rights Issue are fair and reasonable. The appointment of the Independent Financial Adviser has been approved by the Independent Board Committee.

The Company will make available the Prospectus Documents containing, among other things, details of the Rights Issue, including information on acceptances of the Rights Shares and other information of the Group, and PAL(s) to the Qualifying Shareholders on or before Tuesday, 31 December 2024. The Company may, to the extent reasonably practicable and legally permitted and subject to the advice of legal advisers in the relevant jurisdictions in respect of applicable local laws and regulations, make available the Prospectus to the Excluded Shareholders (if any) for their information only, but the Company will not send the PAL to the Excluded Shareholders (if any).

## **WARNING OF THE RISKS OF DEALING IN THE SHARES AND NIL-PAID RIGHTS SHARES**

The Shares are expected to be dealt in on an ex-rights basis from Wednesday, 18 December 2024. Dealings in the Rights Shares in nil-paid form in the new board lot size of 6,000 Rights Shares are expected to take place from Friday, 3 January 2025 to Friday, 10 January 2025 (both dates inclusive). If the conditions of the Rights Issue are not fulfilled, the Rights Issue will not proceed. Please refer to the section headed “Conditions of the Rights Issue” in this announcement below.

Any Shareholder or other person contemplating transferring, selling or purchasing the Shares and/or Rights Shares in their nil-paid form is advised to exercise caution when dealing in the Shares and/or the nil-paid Rights Shares.

Any Shareholder or other person dealings in the Shares and/or the nil-paid Rights Shares up to the time at which the Rights Issue becomes unconditional will accordingly bear the risk that the Rights Issue may not become unconditional or may not proceed. Any party who is in any doubt about his/her/its position or any action to be taken is recommended to consult his/her/its own professional adviser(s).

## **PROPOSED SHARE CONSOLIDATION**

The Board proposes to implement the Share Consolidation on the basis that every ten (10) Existing Shares in issue be consolidated into one (1) Consolidated Share.

### **Conditions of the Share Consolidation**

The Share Consolidation is conditional upon the fulfillment of the following conditions:

- (i) the passing of an ordinary resolution by the Shareholders to approve the Share Consolidation at the EGM;
- (ii) the Listing Committee granting the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and
- (iii) the compliance with the relevant procedures and requirements under Hong Kong laws (where applicable) and the Listing Rules to effect the Share Consolidation.

Subject to the fulfillment of the conditions of the Share Consolidation, the Share Consolidation is expected to become effective on Tuesday, 17 December 2024, being the second Business Day immediately after the EGM. As at the date of this announcement, none of the above conditions had been fulfilled.

## **Effects of the Share Consolidation**

As at the date of this announcement, 1,089,118,593 Existing Shares have been allotted and issued. Upon the Share Consolidation becoming effective and assuming that no change in the number of Shares in issue from the date of this announcement until the effective date of the Share Consolidation, there will be 108,911,859 Consolidated Shares in issue.

Upon the Share Consolidation becoming effective, the Consolidated Shares will rank *pari passu* in all respects with each other. Other than the relevant expenses to be incurred in relation to the Share Consolidation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Group or the interests or rights of the Shareholders, save for any fractional Consolidated Shares which may arise.

## **Listing Application**

An application will be made by the Company to the Listing Committee for the listing of, and the permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective. Subject to the granting of listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becoming effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

## **Fractional entitlement to Consolidated Shares**

Fractional Consolidated Shares will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Shares regardless of the number of share certificates held by such holder. Shareholders concerned about losing out on any fractional entitlement are recommended to consult their licensed securities dealer, bank manager, solicitor, professional accountant or other professional adviser and may wish to consider the possibility of buying or selling Shares in a number sufficient to make up an entitlement to receive a whole number of Consolidated Shares.

## **Other securities of the Company**

As at the date of this announcement, the Company had no outstanding options, warrants or other securities in issue which are convertible into or giving rights to subscribe for, convert or exchange into, any Existing Shares or Consolidated Shares, as the case may be.

## **Arrangement on odd lot trading and matching services**

In order to facilitate the trading of odd lots of the Consolidated Shares arising from the Share Consolidation, the Company will appoint a designated broker to provide a matching service, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Further details in respect of the odd lots matching arrangement will be set out in the circular to be despatched by the Company to the Shareholders.

Holder of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed.

## **Exchange of share certificates for Consolidated Shares**

Subject to the Share Consolidation having become effective, Shareholders may, during the period from Tuesday, 17 December 2024 to 4:00 p.m. on Monday, 27 January 2025 (both days inclusive), submit the existing share certificates for the Existing Shares to the Registrar, Computershare Hong Kong Investor Services Limited at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong, to exchange, at the expense of the Company, for new share certificates for the Consolidated Shares. Thereafter, existing share certificates for Existing Shares will continue to be good evidence of legal title and may be exchanged for new share certificates for Consolidated Shares at the expense of the Shareholders on payment of a fee of HK\$2.50 (or such higher amount as may be allowed by the Stock Exchange from time to time) for each existing share certificate cancelled or each new share certificate issued for Consolidated Shares (whichever is higher) but are not acceptable for delivery, trading and settlement purposes.

The colour of the new share certificates for the Consolidated Shares will be in yellow colour in order to distinguish them from the existing share certificates in blue colour.

**Shareholders and potential investors should note that the Share Consolidation is conditional upon satisfaction of the conditions as set out in the paragraph headed “Conditions of the Share Consolidation” above. Accordingly, the Share Consolidation may or may not proceed. Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company. If they are in any doubt, they should consult their professional advisers.**

## **PROPOSED CHANGE IN BOARD LOT SIZE**

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lot of 3,000 Existing Shares. The Board proposes to change the board lot size for trading on the Stock Exchange from 3,000 Existing Shares to 6,000 Consolidated Shares per board lot upon the Share Consolidation becoming effective.

Based on the closing price of HK\$0.0520 per Existing Share (equivalent to the theoretical closing price of HK\$0.5200 per Consolidated Share) as at the date of this announcement, (i) the value of each existing board lot of 3,000 Existing Shares is HK\$156; (ii) the value of each board lot of 3,000 Consolidated Shares would be HK\$1,560 assuming the Share Consolidation becoming effective; and (iii) the estimated value per board lot of 6,000 Consolidated Shares would be HK\$3,120 assuming that the Share Consolidation and the Change in Board Lot Size becoming effective.

The Change in Board Lot Size will not result in change in the relative rights of the Shareholders.

### **Reasons for the Share Consolidation and the Change in Board Lot Size**

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of the issuer approaches the extremities of HK\$0.01 or HK\$9,995, the Stock Exchange reserves the right to require the issuer either to change the trading method or to proceed with a consolidation or splitting of its securities. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and last updated in September 2024 has further stated that (i) market price of the Shares at a level less than HK\$0.1 each will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules; and (ii) taking into account the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

As at the date of this announcement, the closing price per Existing Share is HK\$0.0520, which is considered as trading at extremity as refer to under Rule 13.64 of the Listing Rules. The Board considers that the proposed Share Consolidation and Change in Board Lot Size, resulting in the theoretical closing price of HK\$0.5200 per Consolidated Share (based on the current closing price of HK\$0.0520 per Existing Share as at the date of this announcement) and the expected market value of each board lot of HK\$3,120 (based on board lot size of 6,000 Consolidated Shares and the theoretical closing price of HK\$0.5200 per Consolidated Share), will enable the Company to comply with the trading requirements under the Listing Rules.

It is expected that the Share Consolidation and Change in Board Lot Size will bring about a corresponding upward adjustment in the trading price per Consolidated Share on the Stock Exchange. The Board believes that it will enhance the corporate image of the Company so as to make investing in the Consolidated Shares more attractive to a broader range of investors and other members of the investing public. In addition, the Share Consolidation is expected to decrease the overall transaction and handling costs of trading in the Shares as a percentage of the market value of each board lot, since most of the banks or securities houses will charge a minimum transaction cost for each securities trade. The Company considers that the Change in Board Lot Size will maintain the trading amount for each board lot at a reasonable level and attract more investors and broaden the shareholder base of the Company.

In view of the above reasons, the Company considers the proposed Share Consolidation and Change in Board Lot Size is justifiable notwithstanding of the potential costs and impact arising from creation of odd lots to Shareholders. Accordingly, the Board is of the view that the Share Consolidation and Change in Board Lot Size is beneficial to and in the interests of the Company and the Shareholders as a whole and that will not have any material adverse effect on the financial position of the Group nor result in any changes in the relative rights of the Shareholders.

As at the date of this announcement, save for the proposed Rights Issue, the Company has no plan or intention to carry out any equity and/or other corporate actions which may have an effect of undermining or negating the intended purpose of the Share Consolidation and the Change in Board Lot Size in the next twelve (12) months. However, the Board cannot rule out the possibility that the Company will conduct further debt and/or equity fund raising exercises when suitable fund-raising opportunities arise in order to support future development of the Group. The Company will make further announcement(s) in this regard in accordance with the Listing Rules as and when appropriate.

### **PROPOSED RIGHTS ISSUE**

## **Non-underwritten basis**

The Rights Issue will proceed on a non-underwritten basis irrespective of the level of acceptance of the provisionally allotted Rights Shares. In the event that the Rights Issue is not fully-subscribed, any Unsubscribed Rights Shares and the ES Unsold Rights Shares will be placed to independent places on a best effort basis by the Placing Agent under the Compensatory Arrangements. Any Unsubscribed Rights Shares and the ES Unsold Rights Shares which are not placed under the Compensatory Arrangements will not be issued by the Company and the size of the Rights Issue will be reduced accordingly.

There are no statutory requirements regarding the minimum subscription levels in respect of the Rights Issue. There is no minimum amount to be raised under the Rights Issue. As the Rights Issue will proceed on a non-underwritten basis, any Shareholder who applies to take up all or part of his/her/its entitlement under the PAL(s) may unwittingly incur an obligation to make a general offer for the Shares under the Takeovers Code. Accordingly, the Rights Issue will be made on terms that the Company will provide for the Shareholders to apply on the basis that if the Rights Shares are not fully taken-up, the application of any Shareholder (except for HKSCC Nominees Limited) for his/her/its assured entitlement under the Rights Issue will be scaled down to a level which does not trigger an obligation on the part of the relevant Shareholder to make a general offer under the Takeovers Code in accordance with the note to Rule 7.19(5)(b) of the Listing Rules.

As at the date of this announcement, the Board has not received any information or undertaking from any substantial shareholders of their intention in relation to the Rights Shares to be provisionally allotted to them under the Rights Issue.

## **Subscription Price**

The Subscription Price is HK\$0.334 per Rights Share, payable in full upon acceptance of the relevant provisional allotment of Rights Shares under the Rights Issue or when a transferee of nil-paid Rights Shares applies for the Rights Shares.

The Subscription Price represents:

- (i) a discount of approximately 35.77% to the theoretical closing price of HK\$0.5200 per Consolidated Share (after taking into account the effect of the Share Consolidation) based on the closing price of HK\$0.0520 per Existing Share as quoted on the Stock Exchange on the Last Trading Day;
- (ii) a discount of approximately 35.27% to the theoretical average closing price of approximately HK\$0.5160 per Consolidated Share (after taking into account the effect of the Share Consolidation) based on the average closing price of approximately HK\$0.0516 per Existing Share as quoted on the Stock Exchange for the five (5) consecutive trading days up to and including the Last Trading Day;
- (iii) a discount of approximately 36.38% to the theoretical average closing price of approximately HK\$0.5250 per Consolidated Share (after taking into account the effect of the Share Consolidation) based on the average closing price of approximately HK\$0.0525 per Existing Share as quoted on the Stock Exchange for the ten (10) consecutive trading days up to and including the Last Trading Day;

- (iv) a discount of approximately 15.66% to the theoretical ex-rights price of approximately HK\$0.3960 per Consolidated Share (after taking into account the effect of the Share Consolidation), based on the theoretical closing price of HK\$0.5200 per Consolidated Share (after taking into account the effect of the Share Consolidation, based on the closing price of HK\$0.0520 per Existing Share as quoted on the Stock Exchange on the Last Trading Day);
- (v) a theoretical dilution effect (as defined under Rule 7.27B of the Listing Rules) represented by a discount of approximately 23.85%, represented by the theoretical diluted price of approximately HK\$0.3960 per Consolidated Share to the theoretical benchmarked price of HK\$0.5200 per Consolidated Share (after taking into account the effect of the Share Consolidation) (as defined under Rule 7.27B of the Listing Rules, taking into account the higher of the closing price on the Last Trading Day of HK\$0.0520 per Existing Share and the average of the closing prices of the Existing Shares as quoted on the Stock Exchange for the five (5) consecutive trading days prior to the date of this announcement of approximately HK\$0.0518 per Existing Share); and
- (vi) a discount of approximately 80.59% to the consolidated net asset value per Consolidated Share of approximately HK\$1.7204 (based on the consolidated net asset value of the Company as at 30 June 2024 of approximately HK\$187.37 million and the total number of issued Consolidated Shares after the Share Consolidation, which will be 108,911,859).

The Subscription Price was determined by the Company with reference to (i) the prevailing market conditions and weak market sentiment of the capital market in Hong Kong as mentioned below; (ii) the prevailing market price of the Shares; (iii) low liquidity of the Shares for the six months preceding the Last Trading Day with the average daily trading volume of approximately 443,834 Shares, representing approximately 0.04% of the total number of issued Shares as at the Last Trading Day; (iv) the financial position of the Group, in particular, the loss for the year ended 31 December 2023 attributable to owners of the Company of approximately HK\$72.85 million; (v) the high gearing ratio as at 30 June 2024 of approximately 776% (which was calculated by dividing total debts (including the bank borrowing, loan from a non-controlling interest and other loans) over the equity attributable to owners of the Company) as shown in the interim report of the Company for the six months ended 30 June 2024; and (vi) reasons and benefits of the Rights Issue as discussed in the section headed “Reasons for and benefits of the Rights Issue and use of proceeds” below in this announcement.

There is a weak market sentiment of the capital market in Hong Kong recently. The Hang Seng Index, which represents the most widely quoted indicator of the performance of the Hong Kong stock market, stood at 16,788 points on 2 January 2024 and increased to 20,926 points on 8 October 2024, with the liquidity of the capital market shooting up to HK\$11.26 billion. However, as at the Last Trading Day, although the Hang Seng Index remains around 20,426 points, the liquidity of the capital market has significantly decreased to HK\$3.65 billion.

The Board noted the relatively large discount of the Subscription Price as mentioned above. In order to assess the fairness and reasonableness of the terms of the Rights Issue, the Board has identified an exhaustive list of 25 rights issue transactions (the “**Comparables**”) announced by other companies listed on the Stock Exchange during the period from 1 July 2024 to the Last Trading Day (the “**Comparable Review Period**”), excluding those rights issue transactions that have been terminated or lapsed. Although the Comparables having rights issue on different bases, engaged in different business or with different financial performance and funding needs, having considered that (i) all of the Comparables and the Company are listed on the Stock Exchange; (ii) the analysis is mainly concerned with the principal terms of the rights issues; (iii) an approximately four months period for selection of the Comparables having generated a reasonable sampling size to reflect the market practice regarding rights issue in the recent period; and (v) the Comparables were sorted out without filtering so the Comparables represent a complete picture of the recent market trends for similar rights issue transactions conducted by other issuers listed on the Stock Exchange, the Board considers the list of Comparables to be representative. In addition, the Board considers that the Comparable Review Period is adequate and fair and representative given that (i) such period would provide the Shareholders with the recent and relevant information in relation to the rights issues to demonstrate the prevailing market practices prior to the Last Trading Day under the prevailing market conditions; and (ii) the Board is able to identify sufficient number of samples of 25 representative Comparables that meet the aforesaid criteria for comparison analysis in such period.

Set out below is an exhaustive list of the Comparables announced during the Comparable Review Period:

Notes:

- The dilution effect represented by the theoretical diluted price per share of the respective Comparables to the theoretical benchmarked price per share of the respective Comparables (as defined under Rule 7.27B of the Listing Rules, taking into account the closing price on the last trading day of per share of the respective Comparables and the average closing prices per share of the respective Comparables as quoted on the Stock Exchange for the last five (5) consecutive trading days immediately prior to the date of the publication of the announcement.
- It represented a discount to the theoretical benchmarked price per consolidated share (after taking into account the effect of the share consolidation) based on the benchmarked price per existing share.
- The company was in a net deficit position based on the information disclosed in its announcement.
- The company announced a classification announcement on 10 September 2024 in relation to the classification on the subscription price and the results of such classification.
- Based on the announcement of the Company, the rights issue was in compliance with the theoretical dilution limit under Rule 7.27B of the Listing Rules but no disclosure on the percentage of the theoretical dilution effect.
- No disclosure was made on the announcement.
- The Company announced a supplemental announcement on 4 November 2024 in relation to the revision of the subscription price.

It is observed that the discounts of the LTD Discount, 5-Day Discount, 10-Day Discount, TERP Discount and the NAV Discount of approximately 35.77%, 35.27%, 36.38%, 15.66% and 80.59%, respectively, are within the market range of the Comparables. The discounts lower than the minimum of the respective Comparables which are approximately 73.68%, 72.99%, 73.86%, 65.27% and 98.98% and higher than the median of the respective Comparables, which are approximately 20.00%, 24.00%, 18.30%, 10.45% and 88.59%, respectively. The discounts are also higher than the average of the respective Comparables of approximately of 22.16%, 22.10%, 22.61%, 16.11% and 58.21%, respectively. The theoretical dilution effect of approximately of 23.85% is similar with the maximum of the Comparables of approximately of 24.92%. The Board believes that it is reasonable to offer discount for the Subscription Price to promote its attractiveness given the generally thin average daily trading volume for the six months preceding the Last Trading Day as mentioned above.

The Board considers, despite any potential dilution impact of the proposed Rights Issue on the shareholding interests of the Shareholders, the terms of the Rights Issue, including the Subscription Price, are fair and reasonable and in the interests of the Company and the Shareholders as a whole, after taking into account that (i) the Qualifying Shareholders who do not wish to take up their provisional entitlements under the Rights Issue can sell the nil-paid rights in the market; (ii) the Rights Issue allows the Qualifying Shareholders to subscribe for their pro-rata Rights Shares for the purpose of maintaining their respective existing shareholding interests in the Company at a relatively low price as compared to the historical market price of the Shares and discount to the recent closing prices of the Shares; and (iii) the proceeds from the Rights Issue can fulfil the funding needs of the Group.

The Prospectus will not be registered under the applicable securities legislation of any jurisdiction other than Hong Kong. Overseas Shareholders, if any, may not be eligible to take part in the Rights Issue. The Company will send the Prospectus (without the PAL) to the Excluded Shareholders for their information only. For the avoidance of doubt, the Overseas Shareholders, if any, are entitled to attend and vote at the EGM.

The Company notes the requirements specified in the notes to Rule 13.36(2)(a) of the Listing Rules, and is in the process of making reasonable enquiries regarding the feasibility of extending the Rights Issue to Overseas Shareholders present on the Record Date. If, after such enquiries, the Company is of the opinion that it would be necessary or expedient, on account of the legal restrictions or prohibitions under the laws of the relevant jurisdictions or any requirements of the relevant regulatory body or stock exchange in such jurisdictions, not to offer the Rights Shares to the relevant Overseas Shareholders, no provisional allotment of nil-paid Rights Shares or allotment of fully-paid Rights Shares will be made to such Overseas Shareholders. Such Overseas Shareholders will be regarded as Excluded Shareholders and will not qualify for the Rights Issue. The basis of exclusion of Excluded Shareholders, if any, will be disclosed in the Prospectus.

The proceeds of such sale, less expenses and stamp duty, of more than HK\$100 will be paid pro rata to the Excluded Shareholder(s). The Company will retain individual amounts of HK\$100 or less for the benefit of the Company.

**Overseas Shareholders should note that they may or may not be entitled to the Rights Issue subject to the results of the enquiries made by the Company pursuant to the Listing Rules. The Company reserves the right to treat as invalid any acceptance of or applications for Rights Shares where it believes that such acceptance or application would violate the applicable securities or other laws or regulations of any territory or jurisdiction. Accordingly, Overseas Shareholders should exercise caution when dealing in the securities of the Company.**

### **Basis of provisional allotment**

The basis of the provisional allotment shall be two (2) Rights Shares for every one (1) Consolidated Share in issue and held by the Qualifying Shareholders at the close of business on the Record Date at the Subscription Price payable in full on acceptance and otherwise on the terms and subject to the conditions set out in the Prospectus Documents.

Application for all or any part of a Qualifying Shareholder's provisional allotment should be made by lodging a duly completed PAL and a cheque or a banker's cashier order for the sum payable for the Rights Shares being applied for with the Registrar on or before the Latest Time for Acceptance. ## **Procedures in respect of the Unsubscribed Rights Shares and ES Unsold Rights Shares and the Compensatory Arrangements**

The Placing Agent will, on a best effort basis, procure, by not later than 4:00 p.m. on Monday, 3 February 2025, subscribers for all (or as many as possible) of those Unsubscribed Rights Shares and the ES Unsold Rights Shares. Any Unsubscribed Rights Shares and the ES Unsold Rights Shares which are not placed under the Compensatory Arrangements will not be issued by the Company and the size of the Rights Issue will be reduced accordingly.

Net Gain (if any) will be paid (without interest) to the No Action Shareholders as set out below on pro rata basis (but rounded down to the nearest cent):

- B. the relevant Excluded Shareholders with reference to their shareholdings in the Company on the Record Date.

If and to the extent in respect of any Net Gain, any No Action Shareholders become entitled on the basis described above to an amount of HK\$100 or more, such amount will be paid to the relevant No Action Shareholder(s) in Hong Kong Dollars only and the Company will retain individual amounts of less than HK\$100 for its own benefits.

- (f) there is any material change (whether or not forming part of a series of changes) in market conditions which in the reasonable opinion of the Placing Agent would materially and prejudicially affect the Placing or makes it inadvisable or inexpedient for the Placing to proceed.

### **Basis of the placing commission**

The engagement between the Company and the Placing Agent of the Unsubscribed Rights Shares and ES Unsold Rights Shares (including the commission payable) was determined after arm's length negotiation between the Placing Agent and the Company and is on normal commercial terms with reference to the market comparables, the existing financial position of the Group, the size of the Rights Issue, and the current and expected market conditions. To assess the fairness and reasonableness of the placing commission under the compensatory arrangements under the Rights Issue, the Board identified an exhaustive list of 13 placing comparables (the "**Placing Comparables**") during the Comparable Review Period (excluding 12 Comparables that were involved in excess application for the rights issue, as opposed to the case where the Company provides compensatory arrangements). Details of the Comparables (including the Placing Comparables) are set out in the paragraph headed "Subscription Price" under the section headed "Proposed Rights Issue".

Having considered that (i) all of the Placing Comparables and the Company are listed on the Stock Exchange; (ii) the analysis is mainly concerned with the placing commission; (iii) an approximately four months period for the selection of the Comparables has generated a reasonable sampling size to reflect the market practice regarding the compensatory arrangements under rights issues in the recent period; and (v) the Placing Comparables were directly sorted out in the Comparable Review Period without filtering such that the Placing Comparables represent a complete picture of the recent market practice on the placing commission payable by the company under the compensatory arrangements as compared to the rights issue transactions conducted by other issuers listed on the Stock Exchange, the Board considers the list of Placing Comparables to be representative. In addition, the Board considers that the Comparable Review Period is adequate and fair and representative given that (i) such period would provide the Shareholders with the recent and relevant information in relation to the compensatory arrangements under the rights issues to demonstrate the prevailing market practices prior to the Last Trading Day under the prevailing market conditions; and (ii) the Board is able to identify sufficient number of samples of 13 representative Placing Comparables that meet the aforesaid criteria for comparison analysis in such period.

Based on the 13 Placing Comparables, the expected maximum gross proceeds from the Placing Comparables ranged from HK\$12.00 million to HK\$172.80 million, with an average of approximately HK\$51.43 million, where the size of the fundraising of the Company is within the range of the Placing Comparables. Among the Placing Comparables, the placing agent of the subject companies for the relevant rights issue charged a commission ranging from nil to 3.5%, or with a minimum charge ranging from HK\$100,000 to HK\$250,000. The commission of 2.5% charged by the placing agent to the Company is within the range of the comparables. The Board (including the independent non-executive Directors) consider that the terms of Placing Agreement in respect of the Unsubscribed Rights Shares and the ES Unsold Rights Shares (including the placing commission) are (i) fair and reasonable; (ii) on normal commercial terms or better; and (iii) in the interests of the Company and its Shareholders as a whole.

As explained above, the Unsubscribed Rights Shares and ES Unsold Rights Shares will be placed by the Placing Agent and/or its sub-placing agent(s) to Independent Third Parties on a best effort basis for the benefits of the No Action Shareholders. If all or any of the Unsubscribed Rights Shares and ES Unsold Rights Shares are successfully placed, any premium over the Subscription Price will be distributed to the relevant No Action Shareholders.

The Board is of the view that the above Compensatory Arrangements are fair and reasonable and are in the best interests of the Shareholders as a whole:

- (i) the arrangements are in compliance with the requirements under Rule 7.21(1)(b) of the Listing Rules under which the No Action Shareholders may be compensated even if they do nothing (i.e. neither subscribe for Rights Shares nor sell their nil-paid rights) because under the arrangements, the Unsubscribed Rights Shares and ES Unsold Rights Shares will be first offered to Independent Third Parties and any premium over the Subscription Price will be paid to the No Action Shareholders. The commission payable to the Placing Agent and the related fees and expenses in relation to such placing will be borne by the Company;

- (ii) the Compensatory Arrangements (including the determination of the placing price) will be managed by the licensed placing agent which is subject to the stringent code of conduct over, among others, pricing and allocation of the placing Shares. The terms and the conditions of the Placing Agreement (including the placing commission) are normal commercial terms or better, are in the best interest of the Company and the Shareholders as a whole; and
- (iii) the Compensatory Arrangements will not only provide an additional channel of participation in the Rights Issue for the Qualifying Shareholders and the Excluded Shareholders, it also provides a distribution channel of the Unsubscribed Rights Shares and ES Unsold Rights Shares to the Company.

### **Application for listing of the Rights Shares**

The Company will apply to the Listing Committee of the Stock Exchange for the listing of, and the permission to deal in, the Rights Shares, in both their nil-paid and fully-paid forms. No part of the securities of the Company is listed or dealt in, and no listing of or permission to deal in any such securities is being or is proposed to be sought, on any other stock exchanges other than the Stock Exchange.

### **CLOSURE OF REGISTER OF MEMBERS FOR EGM**

The register of members of the Company will be closed from Monday, 9 December 2024 to Friday, 13 December 2024 (both days inclusive) for determining the Shareholders’ entitlements to attend and vote at the EGM. No transfer of Shares will be registered during the above book closure period.

### **CLOSURE OF REGISTER OF MEMBERS FOR RIGHTS ISSUE**

The register of members of the Company will be closed from Friday, 20 December 2024 to Monday, 30 December 2024 (both dates inclusive) for determining the Shareholders’ entitlements to the Rights Issue. No transfer of Shares will be registered during the above book closure period.

## **REASONS FOR AND BENEFITS OF THE RIGHTS ISSUE AND USE OF PROCEEDS**

The Company is an investment holding company mainly engaged in property investment. The Company operates its business through two segments, comprising the property investment segment and the securities investment segment. The property investment segment is focus on commercial units located in Hong Kong, while the securities investment segment is involved in short term securities investment.

Assuming full subscription under the Rights Issue, the gross proceeds from the Rights Issue will be approximately HK\$72.75 million and the relevant expenses would be approximately HK\$3.20 million. The net subscription price per Rights Share is expected to be approximately HK\$0.3193. Accordingly, the maximum net proceeds (after deducting the estimated expenses) of the Rights Issue are estimated to be approximately HK\$69.55 million.

The Company intends to use the net proceeds from the Rights Issue for the general working capital of the Group, including repayment of loans.

### **Funding needs of the Group**

According to the Company's interim report for the six months ended 30 June 2024, the Group's total assets amounted to approximately HK\$867.51 million, which were financed by current liabilities of approximately HK\$680.13 million and non-current liabilities of approximately HK\$187.37 million. The gearing ratio, expressed as a percentage of total debts (including the bank borrowing, loan from a non-controlling interest and other loans) to equity attributable to owners of the Company was 776% as at 30 June 2024, representing an increase of approximately 606.9% compared to the gearing ratio of 169.1% as at 31 December 2023. However, the Group's current assets, which mainly included held-for-trading investment and bank balance and cash, were approximately HK\$4.83 million only.

As at the date of this announcement, there is a loan amount of approximately HK\$49.43 million with interest rate of 15% per annum falling due. In view of the Group's bank balance and cash of approximately HK\$1.01 million as at 30 June 2024 and the debts due as at the date of this announcement, the Directors consider that there is a need for the Group to raise funds to lower its debts. After settling the loan of approximately HK\$49.43 million, the Group will apply the remaining net proceeds of approximately HK\$20.12 million for its working capital.

### **Rights Issue as the preferred fund raising activity of the Group**

The Board has considered various ways of raising funds and believes that the Rights Issue is the most efficient way in terms of time and costs for the Company. The Board considers it is prudent to finance the Group's long term growth by long term financing, preferably in the form of equity which will not increase the Group's finance costs.

The Board has considered other fund-raising alternatives before resolving to the Rights Issue, including but not limited to debt financing, placing and open offer. Debt financing will result in additional interest burden, higher gearing ratio of the Group and subject the Group to repayment obligations. In addition, given the high gearing ratio of the Group, debt financing may not be achievable on favourable terms in a timely manner. As for equity fund

raising, such as placing of new Shares, it is relatively smaller in scale as compared to fund raising through rights issue and it would lead to immediate dilution in the shareholding interest of the existing Shareholders without offering them the opportunity to participate in the enlarged capital base of the Company, which is not the intention of the Company. As for open offer, while it is similar to a rights issue and offer Qualifying Shareholders to participate, it does not allow free trading of rights entitlements in the open market. On the other hand, the Board considers that the Rights Issue, being pre-emptive in nature, would allow all Qualifying Shareholders to participate in the future development of the Company and at the same time offer more flexibility to the Qualifying Shareholders to choose whether to maintain, increase or decrease their respective pro rata shareholdings in the Company by taking up only their respective rights entitlement, acquiring additional rights entitlement or disposing of their rights entitlements in the open market (subject to availability).

The Board (excluding the independent non-executive Directors who will give their view after taking into consideration of the advice of the Independent Financial Adviser) considers that the terms of the Rights Issue are fair and reasonable and raising funds through the Rights Issue is in the interests of the Company and the Shareholders as a whole.

## CHANGE IN THE SHAREHOLDING STRUCTURE OF THE COMPANY ARISING FROM THE RIGHTS ISSUE

Set out below is the shareholding structure of the Company (i) as at the date of this announcement; (ii) immediately upon completion of the Share Consolidation; (iii) immediately upon completion of the Rights Issue assuming full acceptance by all Qualifying Shareholders; and (iv) immediately upon completion of the Rights Issue assuming no acceptance by any Qualifying Shareholders, for illustration purposes only:

### **FUND RAISING EXERCISE IN THE PAST 12 MONTHS**

The Company had not conducted any other equity fund-raising activities in the past twelve months immediately prior to the date of this announcement.

### **LISTING RULES IMPLICATIONS**

In compliance with Rules 7.19A and 7.27A of the Listing Rules, the Rights Issue must be made conditional on approval of the Independent Shareholders by way of poll at the EGM at which any controlling shareholders and their associates or, where there are no controlling shareholders, the Directors (excluding independent non-executive Directors) and the chief executive of the Company and their respective associates shall abstain from voting in favour of the Rights Issue.

As at the date of this announcement, there are no controlling shareholders. As such, the Directors (excluding the independent non-executive Directors) and the chief executive of the Company, and their respective associates shall abstain from voting in favour of the proposed resolution approving the Rights Issue at the EGM.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiries, none of the Directors and the chief executive of the Company and their respective associates is interested in any Shares as at the date of this announcement. Accordingly, no Shareholders, Directors, chief executive of the Company and their respective associates are required under the Listing Rules to abstain from voting in favour of the resolution approving the Rights Issue at the EGM.

The Rights Issue does not result in a theoretical dilution effect of 25% or more. As such, the theoretical dilution impact of the Rights Issue is in compliance with Rule 7.27B of the Listing Rules.

As at the date of this announcement, the Placing Agent is ultimately controlled by Mrs. Chu Yuet Wa, who is a substantial shareholder of a subsidiary of the Company. Therefore, the Placing Agent is an associate (as defined in the Listing Rules) of Mrs. Chu Yuet Wa and is a connected person at the subsidiary level of the Company under Chapter 14A of the Listing Rules. Accordingly, the engagement of the Placing Agent in consideration of placing commission under the Placing Agreement constitutes a connected transaction of the Company under Chapter 14A of the Listing Rules. As all the percentage ratios (as defined in the Listing Rules) (other than the profit ratio) of the Placing Agreement are less than 25% and the total consideration is less than HK\$10,000,000, the Placing Agreement and the transactions contemplated thereunder fall below the de minimus threshold as stipulated under Rule 14A.76(2) of the Listing Rules, and therefore are subject to reporting and announcement requirements but are exempt from the circular, independent financial advice and independent Shareholders' approval requirements under Chapter 14A of the Listing Rules.

The Directors (including the independent non-executive Directors) consider that although the Placing Agreement was not entered into in the ordinary and usual course of business of the Group, the terms of the Placing Agreement and the transaction contemplated thereunder are fair and reasonable, on normal commercial terms or better and in the interests of the Company and its shareholders as a whole.

None of the Directors has a material interest in the Placing Agreement and the transaction contemplated thereunder and therefore no Director is required to abstain from voting on the Board resolution(s) of the Company to approve the Placing Agreement and the transactions contemplated thereunder. The Placing Agreement and the transaction contemplated thereunder are approved by the Board.

## **THE INDEPENDENT BOARD COMMITTEE AND THE INDEPENDENT FINANCIAL ADVISER**

The Independent Board Committee comprising all the independent non-executive Directors, namely Mr. Mak Ka Wing, Patrick, Mr. Lam Wai Hung and Mr. Lam Cheung Shing, Richard has been established to advise the Independent Shareholders as to whether the terms of the Rights Issue are fair and reasonable and in the interest of the Company and the Shareholders as a whole, and to advise the Independent Shareholders on how to vote at the EGM, taking into account the advice from the Independent Financial Adviser.
